WAIT TILL YOU TURN THE PAGE

We never tire of watching sexy ladies when they end up pleasuring each other. Sultry Adrianna was lonely when she called her two blonde BFFs to come over and party with her. She'll supply the toys, she said. She waited, wearing only a bra and panty. These ladies didn't waste any time tasting each other. They didn't just lick pussies. One of the babes had her tight asshole plunged with a bad-ass toy. This has to be one of our favorite erotic scenes.

PRIMO MATTRESS ACTRESS

There was a time when I was really, really shy. I wore horn-rim glasses, had braces and covered up all the way up to my neck. That was two years ago. Then I went to college and saw a whole new world. I got contacts, my braces off and decided clothes were for winter. Oh – and guys. I discovered guys and cocks! Now, I'm a bit of a sophisticate and love to dress up. I always have a surprise for my guy under my clothes.

BIRTHDAY BONANZA

HIS BIRTHDAY PRESENTS CAME UNEXPECTEDLY AND WITH A BLINDFOLD SURPRISE.

It was late afternoon, Saturday, as Daniel pulled into his garage, he was hoping for a quiet night with his girlfriend and maybe getting a quick handjob in bed as they watched late night TV before falling asleep.

Beth was sitting in the living room with the next door neighbor doing that girly gossip thing. She barely looked up at him but did acknowledge his basketball with a small sneer. Turning back to the neighbor, Daniel just heard white noise coming out of their mouths. He decided he needed a drink and went to pour himself a cold beer.

He poked his head back to the living room and told the ladies he was going to go shower after the ball game. Going up the stairs, Daniel decided to treat himself to a long, hot shower. After almost an hour, he gets out and noticed how pruned his skin was and thought, that in another twenty years he may be looking like this even without a shower. He reaches for the towel and realizes it is not there. He'll have to walk across the room to get one and as he opens the door, there is Beth with a towel wrapped around herself. She asks him if he is looking for this, with a wry smile, and takes it off and hands it to him.

Naked underneath, he sees the hot beautiful woman he's been dating for almost a year. "Happy Birthday, baby," she croons as she walks over to him and begins to dry him off. She has that tight body he used to ravish every day a few months ago. Now, he sees it sheathed in a combination of sweats or pant suits. She begins by drying off his shoulders, chest and belly. Reaching his groin, she passes by his privates and dries off his legs. Turning the towel to a dry area, she goes back to his crotch and rubs the towel into his pubic hair and down under his cock to dry off his balls.

"Turn around," she says, and Daniel obliges putting his hands on the wall like a cop was about to frisk him. Starting at the top, she dries off his shoulders and back and softly pushes the towel between his cheeks to be sure he is good and dry back there, too. Daniel is enjoying every minute of this, being relaxed from the shower and now a vertical towel massage.

Throwing the towel on the floor, Beth pulls Daniel towards the bed. Now he takes over, laying Beth on it and begins kissing her neck, gently nipping and running his tongue all over her soft flesh. Gradually he moves down her body running his tongue around her

naked breasts and bare belly cupping her firm breasts as he goes lower and lower on her. He then retraces his slippery path back up her body reaching and sucking her erect nipples. When he begins with gentle bites, she moans softly and her breathing became quick and sharp.

Daniel reaches between Beth's warm and moist legs to gently caress her clit. Again he slides down her body kissing it all the way and reaching her soft delta, begins to slurp up the juices that began to flow. Daniel places his fingers on her pussy to gently spread her pussy lips apart. He then gently presses his fingers into her mound and just as he's about to insert one, she turns away and rolls on top of him.

Reaching across his chest and into the drawer on the night stand, she grabs a blindfold and places it over

head of his cock, licking the entire length of his shaft and then plunging his cock deep into her mouth. She sucks harder and harder, taking time to lick it and nibble at its head causing him pleasure and a tiny bit of pain.

Replacing her mouth with her hands, she starts stroking his cock until she feels him about to come. "Not yet." she whispers and he feels her get off him and off the bed. Moments later he hears her return climbing on top of him and guiding his rock hard cock into her pussy. She pumps up and down using her knees and thighs in a steady pace for a few minutes. She then bends down on top of him and he hears a whisper in his ear, "Happy Birthday, Daniel," but the voice was not Beth's. Before he realizes what was happening, a moist fleshy body landed on his face and pushes onto his mouth. It couldn't be Beth, he thought, she's riding on my face. The taste of pussy fills him, but it was a new one. One

he did not recognize, but at a time like this it did not seem to matter. It tasted so good that he begins to lick it with gusto. As he was doing this, the pussy got wetter and wetter and he had to taste more so he forces his tongue inside.

Down below, Beth had quickened her pace and was moaning loudly. The girl sitting on his face begins to moan softly and her juices begin to ooze out from between her legs covering his face in a warm sticky sub-

stance. She rocks backwards and forwards forcing his tongue further inside her and Daniel could hear both girls moaning loudly.

his eyes, tying it behind his head. She then grabs some scarves and ties him to the bed so that his arms and legs are spread apart.

She then begins to kiss him and moves to his ear, nibbling on his earlobe and whispering "Happy Birthday," again and telling him to relax and enjoy. Her hands move down past his cock and she begins to squeeze his balls while kissing and biting his nipples. Slowly she moves her head down his body and begins to lick the

Daniel felt himself building up to orgasm and within a few minutes he exploded just as Beth got off him. She helped finish his climax with her hand as he felt his splooge warm and wet on his belly. Beth gave a couple little squeals of pleasure at a job well done as the girl on his face felt his climax and joined him with one of her own,

flowing her cum-juice all over his lips and chin.

Daniel could feel the women trade places as the new girl grabbed his cock and immediately brought it back to attention with her lips and mouth. Beth moved to

begins to move slowly down her body until she reached her pussy. She sticks out her tongue and begins to lick Beth's crotch.

Seeing Lorissa bent over with her butt in the air, Dan-

iel could see her soaked pussy clearly. He places his fingers deep inside her and proceeds to finger fuck her as fast as he can. Lorissa's breathing quickens and her body begins to squirm. He pulls his fingers out just as her cum squirts out of her pussy. He then rams his cock into her and begins to thrust. He licks his fingers clean of Lorissa's pussy juice and fucks her as hard and as fast as he can. Lorissa begins to scream loudly and has a powerful orgasm. Her body shakes and she slams her body

the top and careful placed one of her nipples into Daniel's mouth and he began sucking like he wanted to get out every last drop of nipple juice. He felt his cock penetrate new territory. Much firmer than Beth's. He could hear the girl gasp as his cock was slowly swallowed up. Daniel began to pump his hips and his cock began to slide more freely inside. She responded with gyrating hips and perfectly timed bounces to keep him hard and deep.

All of a sudden everything came to a stop as Beth removed his blindfold. His eyes looked up at four breasts and two faces kissing in the half light. The kisses stopped and they both looked down at him. It was Lorissa naked and bouncing up and down on his cock. She was the neighbor Beth was talking to as he came home. She was always a little snooty he thought after living next door for all these years. But he was wrong and now her dark brown hair was draped all over her face and she looked as though she was enjoying every minute. He could see her tits which were about the same size as Beth's, bouncing as she moved up and down.

Looking further down her body, he could see that her pussy was cleanly shaven and he could just see the beginning of her slit between her legs. Beth and Lorissa looked at each other and began to passionately kiss again. Then the two untie Daniel from the bed and as he stands up to stretch, Lorissa falls on top of Beth and she

against Daniel's as hard as she can so that he is very deep inside her. Daniel fills her tight pussy with his cum until it begins to pour out of her. Both ladies start to moan as Lorissa orgasms first and Beth is not far behind.

The girls switch positions and Beth begins to suck Lorissa's pussy of all the cum that she produced from the orgasm she just had. Daniel now sees that Beth has her ass in the air and slams his cock into her. Beth gasps as Daniel leans forward and inserts the length of his cock into her. All three of them are now moaning and just as Daniel's about to cum he pulls out of Beth and shoves his cock in Lorissa's mouth. She took all of his cum and swallows. Daniel and Lorissa began to kiss and Daniel could taste a mixture of his, Beth's and Lorissa's cum.

Daniel felt his cock stiffen and rolls onto his back. Both ladies begin to suck and lick his cock at the same time. He was ready to cum again and shot his load all over both of their faces. They both look at each other and begin to lick the cum from each other. Once they were both clean, all three lay on the bed next to each other on the bed. After a few minutes, Beth got up and left the bedroom only to return a few minutes later with a small cake with three candles on it. She gives one to Daniel and one to Lorissa, keeping the third for herself. On three, they each blow theirs out and, as if on cue, the two ladies smash the cake into Daniel's face with sing-song voices saying – "Happy Birthday!"

KELSI MONROE

MY BEST ASSET

Hello you guys out there. You're in for a bit of a treat, I guarantee it. I absolutely love being in front of the camera and I can't wait to get started. My partner said he'd be gentle with me but I just may have to get rough with him. But that's all talk. Watch my video where I bounce up and down on his cock and then we settle in for an ass fuck (which I loved), and he gives me an amazingly huge facial. I know you'll love every minute of it.

and tasty, too bun stuffer

Two horny
bi gals and
a foot-long
hot dog!

"What's it gonna be for you today, good-looking?" Annie asked with a wide smile.

For a moment I simply stood there tongue-tied, shifting nervously from one high-heeled foot to the other. I couldn't help it. Whenever I went to Annie's hot dog stand for lunch, I got so horny that I always sputtered like an idiot.

"Uh...the usual," I managed to reply, "with everything."

"One 12-incher, fully dressed, coming up!" she announced, grabbing a bun.

As I watched her work I checked her out for the umpteenth time. Typically, her long, golden blonde mane was tied back into a luxurious ponytail that swept down and around her lean, smooth neck from beneath a visored cap that shaded her sparkling blue eyes, cute button nose, and plush lips from the glare of the afternoon sun.

My eyes left her lovely face to ogle her massive bosom. Wrapped snugly in a skimpy, red halter, Annie's tits were the size of basketballs and looked to be just as firm, with a set of stubby nipples that stuck out noticeably and had to be an inch long.

When she turned to fish my dog from the steamer, I had a chance to admire the full curve of her meaty, heart-shaped ass rippling under the material of her tight denim shorts as well as her long, sinewy legs. I creamed the crotch of my panties with a muffled sigh.

Annie is a real-life wet dream, just the kind

of girl I like to bed. Short, slim, and small-breasted myself, I gravitate toward the buxom type. Annie fits the bill perfectly. From the very first day I stopped at her little hot dog stand three weeks ago, I knew I had to have her. The only thing that held me back

was the thin, gold band on the third finger of her left hand. Even though a lot of married girls swing to the other side from time to time, you have to be careful about who you hit on.

"There you go, sweetie," she said, setting my meal down. "Want anything to drink with that?"

I wanted to say "Your pussy juice" but whispered, "Root beer," instead.

"You work at the hospital, right?" she asked, returning with my drink. "What are you—a secretary or something?"

"I...uh...work in the billing department," I mumbled, taking a bite while trying not to stare at her ample cleavage.

"Oh, you work with figures, huh?" she said in a raspy voice. "That kind of makes sense, seeing as how you have a pretty cute figure yourself—if you don't mind my saying so!"

I nearly choked. She had said it in such a sexy way that there was no mistaking her intent. She was obviously making an advance. Or was she? Maybe I was simply so horny that I was letting my perverse imagination run away with me.

"No! I don't mind at all," I gulped.

"What I mean is...I get a lot of the lunchtime

crowd down here from the hospital,” she went on, leaning forward to display her oversized tits, “and you’re the hottest of the bunch!”

Feeling my cheeks flush with embarrassment, I licked my lips and flashed her my most charming smile. “Thanks! You’re pretty hot yourself!” It sounded like a stupid comeback, but to be honest, I wasn’t used to a girl hitting on me like this. Still, Annie seemed to be flattered.

Returning my smile, she boldly checked me out. Preening under her erotic scrutiny, I shook my shoulder-length chestnut mane seductively and lifted my chest in an effort to make my small bosom appear bigger.

If there’s one thing I love, it’s when a girl undresses me mentally, and the voluptuous blonde was doing a good job of it, making my pussy flutter insanely. After a few minutes of tense silence, I was starting to wonder what my next move should be when once again she beat me to the punch.

“Oooo! Hold on, honey,” she cooed. “You’ve got some ketchup there!” Suddenly, she swiped her middle finger across the corner of my mouth, held it up obscenely to display the large, red glob, then slowly made an O with her plush lips and began sensuously sucking the finger clean. It was the most erotic thing I’d ever seen another female do. With my nipples stiffening under my blouse, I watched her sexy, pink tongue lave that finger like it was a small penis!

“You...you’ve got some nice tongue action going on there,” I replied boldly.

“Uh-huh! And that’s not all!” Whirling around, she picked up one of the huge frankfurters off a pile that lay cooling on a plate nearby and brandished it in front of my face like a weapon. “I know how much you like the 12-inchers, but did you ever do this?”

Giving the dog a few fast licks, she trailed the fat tip along the curve of her neck, down the soft expanse of her breast bone, and straight into the deep valley between her billowy tits, where she jacked it up and down quickly.

I nearly came in my panties!

“No! I...I never did, but it looks like fun!” I murmured.

Realizing that she’d gotten my attention, Annie withdrew the meat pole, leaving a large smear of grease glistening on her bronzed flesh, then took a couple of bites before tossing it in the garbage.

“What’s your name, honey?” she asked.

“Jane!” I shot back.

“Well, you know, Jane, I always have a lot of those left over at the end of the day. Why don’t you come back around five o’clock and I’ll show you what else these beauties can do!”

She had leaned forward so close that our lips were almost touching. I would have stolen a kiss if I hadn’t heard someone

walk up behind me. “I’ll be here,” was all I said.

I vaguely remember the short walk back to work, but the rest of the afternoon was a blur. The prospect of making it with the sassy vendor had my head in a whirl. In fact, I was so aroused that I did a really nasty thing. Right before quitting time I sneaked into the ladies room, took off my bra and panties, and stuffed them into my purse.

She was just folding up the front counter when I arrived, her big tits shaking with the effort. “Go around to the back,” she husked with a sultry wink.

Pursing my lips coyly, I swayed to the rear of the little shanty and scooted inside. “Hi, Annie,” I said, a fresh dollop of cunt-juice spurting down the insides of my thighs.

“Glad you could make it,” she murmured as she slipped her arms around my waist.

“I am, too, beautiful.” Then I impulsively pressed my lips to hers. Her passionate response told me that I’d made the right move, especially when her tongue jabbed into my mouth and her hands dropped to my ass. She was as turned on as I was!

Maneuvering around to one side, I pressed her up against the wall while nimbly untying the straps of her halter so that I could get at her massive tits. Those twin mountains tumbled into my waiting hands like two beachballs, the flaming red nipples boring into my

palms with an urgency that couldn't be denied.

Annie moaned, wiggled her tongue at mine, and swiftly bunched my skirt up to clutch my nude ass-mounds. "You are a hot little number, aren't you?" she murmured with delight.

"You got that right!" I hissed, lustfully squeezing her tits. "Now, I've got to sink my teeth into these babies or I'm going to go crazy!"

She helped me along by grabbing a handful of my chestnut locks and mashing my face into her billowy chest while gliding her hands up between us to undo my blouse. The instant that her sturdy fingers found my high, upturned tits, I drew one of her crimson nipples into my mouth with a loud groan. She sure knew how to rev up my engine. The harder she mauled my tits, the harder I nursed, swirling my tongue over the blossoming peak of her nipple with an overwhelming sexual hunger.

"That's it, baby! Suck my tit! Oh, god! That's sooo good!" she mewed, holding my face against her heaving bosom.

In the meantime, I had been fumbling with her cut-offs and, as I switched from one bloated tit to the other, I pushed the shorts down over her lush hips, dragging her moist panties along in the process. Once I had her naked, I wantonly humped my belly into hers, grazing my thick bush across her mound.

Annie began shivering uncontrollably. Writhing against me, she pulled on my flanks until we were dry-humping furiously, then suddenly broke the kiss, nudged me back onto a small, metal table, and stripped my blouse away. Whimpering in ecstasy, I arched my torso seductively. She got the message right away. Cupping my swollen tit, the horny blonde leaned down to siphon my pointy, brown nipple into her mouth like a sex-starved slut. I thought I would go through the ceiling at the warm sensation of her sucking lips, but what really hit my switch was when she danced the fingers of her free hand down the lean plane of my taut belly to caress my pubes.

"Ahhhh! Yes! Oh, Annie! Finger me!" I moaned.

"Stick your finger in my hot pussy!"

She did, but only for a couple of quick jabs, while continuing to sample my stiff nipple, then spit out my flushed tit and stood upright between my legs.

"It's time for the special of the day, lover!" she whispered, reaching for a foot-long wiener.

My pussy quivered in anticipation of what Annie intended to do with that dog, but she fooled me by squatting down first and swiping her tongue along my moist labes. Yelping with pleasure, I rose up on my elbows to watch her dig in as I splayed my legs wider. She made quite a show of it, feverishly lapping at my puffy entrance before actually slithering her tongue up my pussy.

"Aieeee! Shit! Yessss! Annieee! Oh, god!" I screamed, rolling my hips wildly. "Eat me out, honey! Awwww! Yeah! Uh-huh! Eat meee!"

She must have liked my filthy pleas because she really went to town, stabbing her tonguetip in and out of my gaping pussy like a tiny, thrusting cock. Holding the top of her blonde head, I tossed my loins at her ravenous mouth while eyeballing the gigantic wiener that she still gripped in her fist and decided to tease her with some pretend cock action myself.

Yanking the meat-roll from her grasp, I sensuously ran the blunt, reddish tip over my jiggling tits, paying special attention to my rigid, dart-like nipples, then slipped the monster into my mouth.

Annie's eyes grew wide when she saw me blowing the hot dog. "Yeah, sweetie! Suck that thing! Get it all nice and wet!" she urged, twirling her tongue faster.

Poking the greasy tube as far down my throat as I could, I hooked my ankles over her beefy shoulders at the same moment that her plush lips hit my clit, sending me dangerously close to the brink of satisfaction. The table rattled noisily under my gyrating ass as I humped toward orgasm. Annie's tongue was fluttering over my clit, and I thought I'd peak at any moment. But the voluptuous blonde had other ideas. She abruptly ended her oral attack, removed the wiener from my sucking lips, and backed up several inches.

When she placed the slick knob at my hairy entrance, I wiggled my ass toward the edge of the table, brought my knees up in a wide vee, then reached down to peel my moist labes open.

“Slam it to me!” I growled.

Grinning wickedly, Annie straightened to her full height. “You asked for it!” she spat, shoving half the meat-roll into my open pussy. Even though the 12-incher wasn’t as rigid as a real cock, it was still long and thick, and the sensation was just as arousing.

“Oh, dear god!” I cried, clamping my vaginal muscles around the greasy intruder. “Fuck me, baby!”

Emitting a wicked laugh, the big, blonde dyke suddenly stopped again, leaving me quivering with frustration. “Let’s get off together,” she purred, angling the other end of the Coney Island red downward until it was wedged tightly in her inflamed pussy.

“Yeah!” I breathed, locking my ankles around her ample hips. “Nail me, bitch!”

She did—with a wanton vengeance. Taking hold of my slim waist, she lurched her ass sharply to poke the wiener into my cervix. I let out a howl of pleasure and bucked upward over and over until we had picked up a steady rhythm; in no time we were well on our way to an explosive orgasm, one I was sure would shake Annie’s little stand off its foundation.

Much to my surprise, she peaked first. Throwing her shaggy, golden head back, the buxom beauty brought one knee up onto the table, clutched at my trembling flanks, and impaled the disintegrating foot-long into both our snapping pussies. “Ooooo! Yes! Oh, baby! Shit, yesss! I’m...I’m coming! Come with meee!” she screamed, pummeling my pussy so fast that the wiener fell apart, allowing her inflamed clit to scrape against mine.

That was all I needed. Capturing her rocking ass in the grip of my sinewy thighs, I ground my spasming mound into hers and popped my cork. “Ahhhh! Yes! Annie! You’re doing it, sweetheart! I’m getting off—big time! Aieeee!”

Every nerve in my body was on fire as I rode out my climax in Annie’s tender embrace. Floating down from my incredible, orgasmic high, I felt like I could never come again. But the horny vendor wasn’t finished. No sooner had I gone limp with satisfaction than she was up on the table, swinging around into a classic 69 position so that her pulsating, pink pussy was centered right over my open mouth. “Time to clean up the kitchen,” she grunted, just before lowering her face to my greasy pubes.

It was only when I saw her pussy descending, the remaining half of the hot dog protruding obscenely from between her slick labes, that I realized she was still hungry.

Suddenly, my appetite returned too. Looping my arms across her rippling ass, I bit into the meaty prong at the exact same moment that Annie’s teeth started gnawing at the other half, which was still lodged deep in my pussy. We both shrieked lustfully as we chewed away, adding a whole new meaning to the phrase “muff munching.”

My second climax nearly took the top of my head off. Mewing insanely, I slapped my sticky thighs against Annie’s sucking cheeks and trapped her bumpy clit between my lips. She erupted a second later, twisting her plush hips from side to side as she rode out her climax on my swirling tongue. We stayed like that for quite a long time, enjoying the warmth of each other’s body, until Annie finally recovered enough to hop from the table and retrieve a damp cloth. “You’re a mess,” she said, wiping my face and bosom tenderly.

“So are you,” I cooed, using the other end of the cloth to clean her up. “Tell me, do you treat all your female customers this way?”

“Of course not!” she snapped, nuzzling my earlobe. “You’re special, sweetie! So special in fact that if you stop by tomorrow after work, I’ll show you what I can do with condiments!”

I laughed softly and stroked her wavy blonde hair gently, shivering in anticipation as I wondered what other delicious items Annie had on her menu.

ANGELICA HEART

PASSION IN PINK

I had my first real boyfriend in college. I kept my boyfriend for my freshman year and after that I thought why have one when I could have many. I really started to get into sex and would often skip classes and have sex three or four times a day because my roommates would be in class. They missed out. But now I've settled down a bit. I like to dress hot and be sure my men appreciate the effort I put into them.
